Date :

Supplier: Oed Prefab Homes/ Overstock Express Deals LLC.

Trade Term : 50% T/T deposit, 50% T/T after goods ready, before delivery

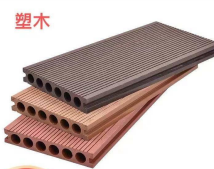

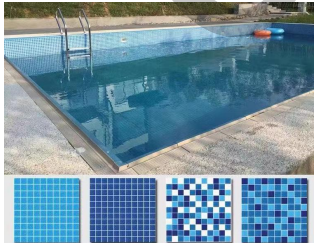

1-800-518-0413

Contacts: Jerry Lee Jr

Email Address: sales@oedprefabhomes.com

No.	Product	Picture	Specs	Qty	Unit	EXW Unit Price	Amount
1	40ft swimming container pool	 	L11500*W2438*H1448mm	1	set	US\$18,393.00	US\$18,393.00
1	20ft swimming container pool	 	L6058*W2438*H1448mm	1	set	US\$11,500.00	US\$11,500.00
Total price(EXW)							
FOB ShangHai port Freight							
TOTAL AMOUNT							US\$0.00
Optional configuration							

1	Circulating water filtration system		Circulating water filtration system, sewage system	1	set	US\$1,060.00	US\$1,060.00
2	Automatic swimming pool cover		Electric swimming pool cover, aluminum alloy rolling curtain, built-in polyurethane foam buoy	1	set	US\$2,770.00	US\$2,770.00
3	Solar photovoltaic panels	1200*600 PV glass panel module 20 groups, power generation 1.8KW, supporting frame, rectifier controller		1	set	US\$5,070.00	US\$5,070.00
4	Stainless steel sewer ladder		304 stainless steel swimming pool ladders	1	set	US\$185.00	US\$185.00
5	Custom stainless steel underwater steps		Customized ruffled stainless steel underwater steps, rest steps, argon arc welding grinding, internal keel modeling support	1	set	US\$1,530.00	US\$1,530.00
6	Water jet massage system		Stainless steel water nozzle about 6, water booster pump, hidden water pipe pipeline, water valve, etc	1	set	US\$1,040.00	US\$1,040.00
7	Water bottom logo board	Laminated glass plate with LOGO pattern 1000*2000mm		2	m²	US\$103.00	US\$206.00
8	Infinity pool catchment system	Stainless steel sink, sand filter tank, automatic float switch, automatic circulating water pump		1	set	US\$600.00	US\$600.00

9	Fixed glass partition for swimming pool(Completely seal fixed partition)	Custom thickened special multi-layer laminated toughened glass partition, stainless steel layering, structural adhesive, etc Three layers of 10mm special laminated toughened glass with a total thickness of about 31mm		1	m ²	US\$350.00	US\$350.00
10	Insulation panels are decorated on the outside		Square pipe keel + polyurethane foam spray insulation +16mm insulation metal carved board	1	m ²	US\$48.00	US\$48.00
11			Square pipe keel + polyurethane foam spray insulation +24mm plastic wood floor/plastic wood composite board (recommend)	1	m ²	US\$74.00	US\$74.00
12			Square pipe keel + polyurethane foam spray insulation +25mm sylvestris sylvestris anti-corrosion board/solid board	1	m ²	US\$60.00	US\$60.00
13			Square pipe keel + polyurethane foam spray insulation +25mm pineapple lattice anticorrosive board/solid board	1	m ²	US\$100.00	US\$100.00
14	Gas powered hot water system(400000btu)		Recirculating water, automatic gas energy heating system, controlled water temperature, Hayward brand	1	set	US\$6,150.00	US\$6,150.00
15	mosaic tile (interior)		Colors can be customized	1	m ²	US\$60.00	US\$60.00

16	swimming machine		1 unit 2.8KW motor drive, 8 speed optional swimming speed available, outlet width 630mm,The flow of water is smooth and powerful with the design of diversion device inside	1	set	US\$8,260.00	US\$8,260.00
17	platform		Height : 1.5m	1	m²	US\$245.00	US\$245.00
18	stair	to platform		1	set	US\$1,000.00	US\$1,000.00
19	outdoor dry sauna （square）	<p>size is L1500mm*W1200mm*H1900mm material: Canada imports hemlock wood Negative oxygen ion oxygen: 1 piece Exhaust vent: 1 piece Bluetooth audio: 2 pieces Intelligent temperature control panel: 1 set The sky is full of seven lanterns: 1 set Hot material: 6~11 sets Temperature sensing probe: 1 piece Khan steam sits stool: 1 set 8 mm glass door: 1 set Applicable voltage environment: 110-120V/220-240V</p> 		1	Unit	US\$2,400.00	US\$2,400.00
20	Shade pavilion	<p>size : L6m *W3m *H2.5m Electric roof louvers, you can adjust the Angle of the louver to control the brightness of the sun and prevent rain after it is completely closed. You can adjust the Angle of the louver to control the brightness of the sun and prevent rain after it is completely closed.</p>		1	set	  	

21	Labor cost, Manual installation and debugging costs, drawing deepening design	In the factory, welding processing, cutting, grinding, opening, waterproof engineering, swimming pool equipment installation, overall sample debugging and testing, professional equipment installation and debugging personnel travel and accommodation expenses	1	set	Labor costs will vary according to the number of parts selected.	
22	other equipment	Customized functional equipment, such as bubble machine, etc	1	set		US\$0.00

Attachement 1-One Set Material List

序号	material		unit	quantity	mark
Part one: Structural foundation 12192*2438*1448mm=1个					
A	top、bottom、Structural				
1	corner fitting	Standard Marine fittings (Class A, Class A)	set	1	eight pieces for one set
2	bottom beam	Enhanced 16# channel steel ring beam +100*100*3.0 galvanized square pipe +12# channel steel longitudinal beam + sandblasting	m²	30	Inclusion chassis construction
3	top beam	150*150*3.5 Square tube sandblasting pretreatment	m	29	
4	floor	Sandblasting pretreatment of 5mm weathering steel plate	m²	30	
5	The big corner column sets the column	150*150*3.5 Square tube sandblasting pretreatment	piece	4	
6	Corrugated board	1.6mm container special weathering corrugated board SPA-H, sandblasting pretreatment	m²	43.5	
7	weather bar	L40 Angle iron	m	23	The edge of the overflowing waterfall
8	Glass window reinforcement frame material	Reinforcement frame material 100*100*3.0 square tube sandblasting pretreatment +50*50*2.0 frame material	m²	8	

B	Inside and outside decoration, refit				
1	Paint sprayed outside	Box weld polishing, derusting, putty, primer, topcoat (external)	m²	73.5	black
2	Paint spraying interior	Box weld polishing, rust removal, putty, special zinc-rich primer, intermediate paint, topcoat	m²	73.5	light blue
3	Equipment compartment	1.6mm container special weathering corrugated board SPA-H, 150*150*3.5 square tube, sandblasting treatment	m²	3.75	At the top of the block
4	Water bed platform	5mm weathering steel plate sandblasting pretreatment, 1.6mm container special weathering corrugated board SPA-H, 150*150*3.5	m²	4.8	
C	door, window				
1	Pool glass window	Customized special multi-layer laminated tempered fixed glass	m²	8	It will not be dismantled by sea
2	Equipment hatch	Custom container steel double doors	m²	2	
3	The opening is covered with corrugated panels	No exposed glass and hole, corrugated board screw fixed, paint re-spray	m²	8	Cover the opening for export shipping
part two: Water and electricity facilities					
D	water and electricity				
1	distribution box	High-power 50KW distribution box (box +32A leakage protection +6 air switch electrical accessories)	set	1	
2	electric wire	The lamp wire is 1.5mm², the equipment socket wire is 4mm², and the PVC pipe is secretly installed	m²	15	
3	Waterproof switch panel	Custom yacht waterproof switch control panel integrated panel	set	1	
4	outlet	Standard 86 5-hole socket, 16A large socket	set	6	
5	lights	Outdoor ambience lights, underwater lights	set	1	
6	water supply and drainage system	Basic water supply and drainage pipes, 6 inlet pipes, 50 drainage pipes	m²	15	
7	flood valve	Inlet valve, quick-meet threaded joint	set	1	
8	Water waterfall shower	Stainless steel waterfall shower	set	1	
9	drain valve	Drainage valve, quick connection threaded nipple	set	1	
10	Stainless steel drain screen cover	Stainless steel drain screen cover	set	1
